

List of restrictions of hospital choice

Valid from 1 June 2023

As an insurance provider, Visana Insurance Ltd keeps a "List of restrictions of hospital choice". All the hospitals that cannot be chosen for inpatient treatment in the designated wards are specified in this list. This restriction does not apply to emergency referrals.

The "List of restrictions of hospital choice" is continuously updated and can be viewed at the relevant agency or requested in excerpt form. It is also available at www.visana.ch.

Costs of treatment, accommodation and board in the appropriate ward for the level of insurance (general, semi-private or private) at the listed alternative hospitals and clinics will be paid.
